Who Has the Financial Strength and Stability to Insure Your Titles?

Mississippi Valley Title Insurance Company & Old Republic National Title Insurance Company

During these challenging times of financial uncertainty, it is well worth taking a second look at who is insuring your real property transactions. Since 1941, Mississippi Valley Title (MVT) has been open for business. Today, we are proud to be one of the South's leading title insurers.

Now for a little history. In 1978, MVT became a member of the Old Republic Title Insurance Group*. Together, MVT and Old Republic National Title Insurance Company** issue joint policies of title insurance. This gives our policyholders increased financial security, along with over 68 years of local service and expertise from MVT.

As a member of the Old Republic Title Insurance Group, we have held the distinction of being the highest-rated title insurance group in the nation every year since 1992. No other title insurance group can make that claim. Furthermore, the Old Republic Title Insurance Groups' parent, Old Republic International Corporation (ORI), a multi-billion dollar, diversified, public company, has total assets of \$14.3 billion, as of 9/30/09.

Founded in 1941 and 1907 respectively, Mississippi Valley Title and Old Republic Title represent 170 years of strength and stability. We are here to stay!
